I spoke to him. He is fine with it. He said he is appreciative we will forbear once we file suit, recognizes the money is owed, and is trying to sell the property as quickly as possible.

No problems on this end.

On second thought--- would you mind calling him? He just called while I was in a meeting, and I have to finish a few other things today...

The number he called from is (b)(6)

Thanks!

It's up to you. If you think it'd be helpful to talk to him, feel free. I left him a message yesterday that we're filing the foreclosure, and left him my number. I'm sure he is very irritated with me for making him do unnecessary work in noting up the issue for this Friday.

Hi Dave,

I received this from attorney Neil today. Obviously he sent this out prior to receiving my message yesterday that the City is going to file the FC action.

Thanks,
Amanda
